- long lasting high quality
- modern technology guarantees exact sections and accurate dimensions
- pure raw materials are completely safe
- easy to install even around tight radius bends (Minimum internal radius is 1,5 times the width of core, for oval sections)

The oval sections

Polyrail 308  30 x 8

Polyrail 408  40 x 8

Polyrail 508  50 x 8

The round sections

Polyrail R40  25 x 15

R 55  40 x 8

Standard colours

available ex stock in London

Special colours to special order

4 weeks delivery - see below
